A horizontal bar chart showing the distribution of FFT across different values. The x-axis ranges from 0 to 800 with major ticks at 0, 160, 320, 480, 640, and 800. The y-axis is labeled "FFT" and has a scale from 0 to 100. There are six bars representing different values: 0, 160, 320, 480, 640, and 800. Each bar is gray and has a black outline. The height of each bar corresponds to its value on the x-axis.

Information shown is for general reference purposes only and does not necessarily represent exact graphic or cartographic data as mapped. The City of Auburn makes no warranty as to its accuracy.
